SCAMMERS ALERT: FAKE ZIMBABWEAN DOCUMENTS

The Consulate of the Republic of Zimbabwe in Cape Town wishes to alert Zimbabwean nationals in the Cape Provinces and South Africa as a whole of “agents” claiming to be working with the Civil Registry Department (Registrar General’s Office), the Embassy and the Consulates in Cape Town and Johannesburg. These are claiming to produce or facilitate the production of birth and marriage certificates and Identity Cards to desperate Zimbabweans.

Cooperating with bogus agents to obtain fake national documents is a serious criminal offense. All Zimbabwean nationals are urged to obtain documents through legal means/formal processes. Please note that IDs are obtained in person ONLY at the Civil Registry Department in Zimbabwe.

Further, all Zimbabwean are urged to verify information first before engaging in any services or transactions. Clients are encouraged to visit the Consulate website www.zimconsulatecpt.co.za for information and updates. For any inquiries you may email to zimconsulatecpt@gmail.com or phone +27845931580, +27847909230
