### OFFICIAL NOTIFICATION

#### **REGISTRATION OF ZIMBABWE EXEMPTION PERMIT HOLDERS WHO INTEND TO RETURN TO ZIMBABWE**

The Embassy of the Republic of Zimbabwe in South Africa wishes to inform Zimbabwe nationals that the Government has decided to facilitate and assist those holders of the Zimbabwe Exemption Permit (ZEP) who wish to return to Zimbabwe due to the impending expiry of the ZEP. In this regard, the Embassy and the Consulates will conduct a mapping exercise to identify and register ZEP holders who wish to return home. The mapping exercise will be conducted in the course of February and March 2023, across all the Provinces of South Africa. This exercise is composed of two parts, the first being an online registration, while the second part involves physical visits by multisectoral teams to designated areas across South Africa. The teams will comprise officials from the Embassy, the Consulates and several government Ministries.

## Phase 1

The first phase will entail an online registration where those who wish to be assisted are invited to register their details on that platform. The online registration will be open from 02 February to 03 March 2023.

The details of the registration are as follows:
